Week!

Dear Parents,

We had a great time on Field Day. The weather was perfect! I am sure lots of memories were made as I heard lots of laughter.

Next Thursday is our end of the year party. I cannot wait for all the fun. We have a variety of exciting activities planned for the morning including some breakfast type treats. The party committee is all set with our snacks. No additional food is needed.

Our last day of school breakfast is on Friday. Again, the party committee is all set with treats for us to enjoy. I'd like to thank all the parents for participating in the party committee shopping. I think it went great this year. It was completely fair since everyone provided one item for one party this year.

As you know, this is our last week of school. I cannot believe how fast time flies. It seems like just yesterday it was the first week of school. The students have really grown a lot this year. I am very proud of all of their accomplishments: both big and small. I want to thank all of you, the parents; for all that you have done to make this year a successful one. Your support this whole year has made my job a lot easier.

Keep loving your kids and have a great summer!

Ms. Strong
